MAXAM

DISSOLVING GRANULES FOR BLOCKED DRAINS – A MAJOR ADVANCE IN DRAIN MAINTENANCE

Maxam offer another unique maintenance solution – a thermo-reactive formulation to clear blocked and slow running drains.

Saving you possible drain damage by jetting or using rods and expensive call out fees, DRAINMAX is the much favoured alternative.

Activated by hot water, this specialised compound seeks out and eradicates grease, oil, fat, hair, scum and slime impeding water flow in drainage systems.

KEY BENEFITS

- Clears blocked drains quickly
- Very easy to use
- Prevents slow running drains
- Safer to use than dangerous acids
- Saves time and money
- Eliminates bad smells and health hazards
- Creates a fresh environment with a pleasant lemon fragrance
- Can also be applied frequently, in small amounts, to prevent repeated build up and keep drains free flowing

KEY APPLICATIONS

- Washbasins
- Showers
- Urinals
- Baths
- Drains
- Fat traps

TECHNICAL DATA

Shelf Life: 2 years
