

PIPEMAX

BURST PIPE EMERGENCY REPAIR SOLUTION

MAXAM

EFFECTIVE PERMANENT REPAIR SOLUTION FOR ALL TYPES OF BURST PIPE EMERGENCIES

Designed to save damaged and worn pipes, especially in emergency situations, Pipemax is a remarkable three stage repair system incorporating resin coated fibre glass from Maxam.

Not only will it bond to any type of pipe, but its high adhesive strength makes it a very valuable product to keep on hand for leaks and burst pipes.

Withstanding a wide temperature range, a pipemax repair resists acids, alkalis and oils.

Approved by the Water Research Centre for use in contact with potable water, this System is effective even in difficult situations such as leaking joints, t-pieces, elbows, and valves.

KEY BENEFITS

- Rapid fool-proof application
- No need to turn off stopcock
- Cost-effective
- Doesn't require draining down
- Effective up to 10 Bar Pressure
- Works under water
- Sets rock hard in minutes
- Can be sanded and painted to match the original metal

KEY APPLICATIONS

- Copper/plastic/cast iron/lead/rubber/clay/concrete pipes
- Sprinklers
- Irrigation hoses
- Exhaust systems
- Immersion heaters
- Splice cables

TECHNICAL DATA

Shelf Life: 2 years

TECHNICAL DATA FOR RESIN COATED FIBRE BANDAGE

Tensile Strength: 172MPa (24,900psi)

Compression Strength: 183MPa
(26,600psi)

Temperature Range: -40°C to +593°C

Water Research Centre Approval:
9109519

Patents: 4519856 & E.P.0216762.b.I.

TECHNICAL DATA FOR ELASTOMERIC RUBBER STRIP

Tensile Strength: 172MPa (24,900psi)

Elongation: 600%

Water Absorption: 1% (168 hours at
70°C)

Temperature Range: -40°C to +140°C

ORDERING INFORMATION

PROD. CODE DESCRIPTION

PM50	(Suitable for pipes up to 50mm diameter) PIPEMAX Repair System: Resin Coated Glass Fibre Bandage 50mm x 1.52m (2" x 5') with 30mm wide Elastomeric Rubber Strip, Stainless Steel cable tie and Rubber Gloves*
PM75	(Suitable for pipes up to 75mm diameter) PIPEMAX Repair System: Resin Coated Glass Fibre Bandage 75mm x 2.74m (3" x 9') with 30mm wide Elastomeric Rubber Strip, Stainless Steel cable tie and Rubber Gloves*
PM150	(Suitable for pipes up to 150mm diameter) PIPEMAX Repair System: Resin Coated Glass Fibre Bandage 100mm x 4.57m (4" x 15') with 30mm wide Elastomeric Rubber Strip, Stainless Steel cable tie and Rubber Gloves*

*Includes application instructions

100% NO RISK MONEY BACK GUARANTEE
