

TARMAX

PROFESSIONAL POTHOLE REPAIR

MAXAM

THE PROFESSIONAL POTHOLE REPAIR

TARMAX is Maxam's instant and permanent repair product for all types of damaged and eroded pathways and roads to any depth or size of hole.

TARMAX is such a simple product to use, so it can be used almost anywhere – roads, railway platforms, runways, car parks, quaysides, ramps, floors, pathways.

Reducing unnecessary traffic congestion as it takes traffic immediately, TARMAX is invaluable in busy areas and repairing a pothole yourself also saves you the high cost of employing an outside contractor.
