

MAXAM PURATM+

ALCOHOL-BASED HAND SANITISER GEL

CLEAN AND PROTECT

YOUR HANDS with PURATM+

Hand Sanitiser Gel, an effective
70% alcohol formulation

Ethanol and Isopropanol destroys disease-causing agents and pathogens by breaking apart proteins, splitting cells into pieces and disarranging the cell's metabolism.

The Centers for Disease Control and Prevention recommend using hand sanitisers with at least 56.7% alcohol. **PURA+** Hand Sanitiser Gel is based on 70% inclusion of alcohol. Please note bottle and accessories may vary due to stock availability.

5L Jerry Can

500ml Pump
Top Bottle

250ml Flip-
top Bottle

100ml Sports
Cap Bottle

Apply as per instructions for best results.
